**WHAT IS PAR?**

PAR is an acronym for Pre-Authorized Remittance. What that means is that you can select a specific amount that is withdrawn from your bank account as frequently as you so choose: weekly, monthly, bi-monthly, semi-annually or annually. It is easy for you and for the parish. It is a safe way of supporting your parish on a regular basis without having to worry about getting your envelope ready every Sunday. It also helps the parish stabilize its revenues in order to meet its expenditures. We urge this method of payment both for the restoration project and for the regular offertory. We hope you do as well both for today and for the future of our parish community.
